Q5. Which Product Categories Receive the Best Customer Ratings?

Result:

General Interest Books : 4.45
Technical Books : 4.37
Luggage & Accessories : 4.32
Food & Beverages : 4.32
Fashion Footwear : 4.23
Food : 4.22
Stationery : 4.19
Pet Shop : 4.19
PCs : 4.18
Home Appliances : 4.17

Insight: Books, fashion, food, and pet-related products receive the highest customer ratings. General Interest Books achieved the highest average review score of 4.45, suggesting strong customer satisfaction in categories with relatively straightforward fulfillment and product expectations.

Q1. Which States Generate the Highest Revenue?

Result:

SP : 5,998,226.96
RJ : 2,144,379.69
MG : 1,872,257.26
RS : 890,898.54
PR : 811,156.38
SC : 623,086.43
BA : 616,645.82
DF : 355,141.08
GO : 350,092.31
ES : 325,967.55

Insight: São Paulo (SP) is the marketplace's largest revenue contributor, generating nearly 6 million in revenue. Together, SP, RJ, and MG dominate

marketplace sales, highlighting a strong concentration of revenue in Brazil's most economically developed states.

Q2. Which States Have the Highest Average Order Value?

Result:

PB : 248.33

AC : 234.29

RO : 233.20

AP : 232.33

AL : 227.08

RR : 218.80

PA : 215.92

SE : 208.44

PI : 207.11

TO : 204.27

Insight: Smaller states such as Paraíba (PB), Acre (AC), and Rondônia (RO) have the highest average order values. While these states contribute less overall revenue than São Paulo or Rio de Janeiro, customers tend to spend more per purchase.

Q3. Which Product Categories Generate the Highest Revenue?

Result:

Bed, Bath & Table : 1,712,553.67

Beauty & Health : 1,657,373.12

Computer Accessories : 1,585,330.45

Furniture & Decoration : 1,430,176.39

Watches & Gifts : 1,429,216.68

Sports & Leisure : 1,392,127.56

Housewares : 1,094,758.13

Automotive : 852,294.33

Garden Tools : 838,280.75

Cool Stuff : 779,698.00

Insight: Home, lifestyle, and technology-related categories generate the highest revenue on the marketplace. Bed, Bath & Table leads all categories, followed

closely by Beauty & Health and Computer Accessories, indicating strong customer demand in everyday household and personal-use products.

Q4. Which Product Categories Generate the Highest Average Revenue Per Order?

Result:

PCs : 1,268.73
Fixed Telephony : 763.88
Agribusiness & Commerce : 471.15
Home Appliances 2 : 464.79
Office Furniture : 363.79
Security & Signaling : 340.74
Construction Tools & Security : 330.11
Musical Instruments : 324.62
Small Appliances : 321.80
Climate Control : 301.89

Insight: Premium and business-oriented product categories generate the highest revenue per order. PCs lead by a large margin with an average order value exceeding 1,200, indicating that a small number of high-value purchases can contribute significantly to marketplace revenue.

Q5. Which Product Categories Receive the Best Customer Ratings?

Result:

General Interest Books : 4.45
Technical Books : 4.37
Luggage & Accessories : 4.32
Food & Beverages : 4.32
Fashion Footwear : 4.23
Food : 4.22
Stationery : 4.19
Pet Shop : 4.19
PCs : 4.18
Home Appliances : 4.17

Insight: Books, fashion, food, and pet-related products receive the highest customer ratings. General Interest Books achieved the highest average review

score of 4.45, suggesting strong customer satisfaction in categories with relatively straightforward fulfillment and product expectations.

Q6. Which Product Categories Receive the Lowest Customer Ratings?

Result:

Office Furniture : 3.49
Men's Fashion : 3.64
Fixed Telephony : 3.68
Audio : 3.83
Home Comfort : 3.83
Construction Tools & Security : 3.84
Bed, Bath & Table : 3.90
Living Room Furniture : 3.90
Furniture & Decoration : 3.90
Computer Accessories : 3.93

Insight: Furniture, home products, and technology-related categories receive the lowest customer ratings. Several of these categories are also among the marketplace's highest revenue generators, suggesting potential opportunities to improve customer satisfaction without sacrificing sales performance.

Q7. Which Sellers Generate the Highest Revenue?

Result:

Top seller revenue: 507,166.91

Top 10 sellers generated revenue ranging from 185,134.21 to 507,166.91.

Insight: Revenue is concentrated among a relatively small number of high-performing sellers. The highest revenue-generating seller produced more than 500,000 in revenue, demonstrating the significant contribution of top sellers to marketplace performance.

Q8. Which Sellers Handle the Most Orders?

Result:

Top seller processed 1,854 orders.

Top 10 sellers processed between 1,080 and 1,854 orders.

Insight: A small group of sellers handles a substantial share of marketplace transactions. The highest-volume seller fulfilled 1,854 orders, highlighting the importance of top-performing sellers in maintaining marketplace activity and customer fulfillment.

Q9. Which Product Categories Generate the Most Orders?

Result:

Bed, Bath & Table : 9,417
Beauty & Health : 8,836
Sports & Leisure : 7,720
Computer Accessories : 6,689
Furniture & Decoration : 6,449
Housewares : 5,884
Watches & Gifts : 5,624
Telephony : 4,199
Automotive : 3,897
Toys : 3,886

Insight: Bed, Bath & Table is the marketplace's highest-volume category, generating over 9,400 orders. Home, lifestyle, and consumer product categories dominate customer purchasing behavior, indicating strong and consistent demand in these segments.

Q10. How Concentrated Is Marketplace Revenue?

Result: 87.38%

Insight: The top 10 customer states contribute 87.38% of total marketplace revenue. This indicates a high degree of geographic revenue concentration, with the majority of sales generated from a relatively small number of economically significant regions.
